New features updates! A few weeks ago, we unveiled the path to Basecamp 4. In that announcement we laid out the plan to transform Basecamp 3 to Basecamp 4 over the next 8 or so months. Today marks the start with a handful of new features, updates, administrative improvements, and a visual refresh. [See everything that's new.](#)

The screenshot displays the Basecamp 4 user interface. At the top left is the Basecamp logo. The navigation bar includes links for Home, Pings, Hey!, Activity, My Stuff, and Find. A yellow notification box at the top center contains a message about new features and updates. Below this, the workspace name 'SuricataLabs' is shown. The central area features the Suricata Labs logo, which consists of a red circle with a black silhouette of a person and the text 'SURICATA LABS'. Below the logo is a horizontal bar with a '+ New' button on the left and a 'Projects' label in the center. A project card titled '2021. 0. Grupal Empresas Laboratori...' is visible, showing a list of team members with initials (AFL, AAO, AGT, AE) and a '+114' indicator. The top right corner shows a user profile icon 'EP', and the bottom right corner has a help icon '?
